BOOK SYNOPSIS

This is the definitive English language guide to the laws and procedures governing the Croatian property market and to the investment opportunities in the country. Aimed at an international audience of property developers, professional investors, lawyers, estate agents and multinational companies, who are interested in both commercial and residential property investment, it addresses issues such as: gaining clear title to land; land registry records; gaining permission to buy a property; tax on capital gains; social legislation. And it looks in depth at the structure and future prospects for the property market in Croatia.
