BOOK SYNOPSIS

Miller “Buck” Butterson has been banging his way through life ever since a puck to the face fixed his messed up front teeth. After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he’s ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he’s found that woman in his teammate’s sister. Except, unlike team captain and all-around nice guy Alex Waters—who happens to date his stepsister, Miller’s media reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn’t know the first thing about relationships or the time and effort they require. Miller learns—eventually—that if he wants to make Sunshine “Sunny” Waters fall for him, hes going to have to do a whole lot more than show her his stick skills in the bedroom.
